Admiral Stansfield Turner
Director of Central Intelligence
Washington, D.C. 20505

Dear Admiral Turner:

This is in response to your letter of September 14, 1978
in which you request that action be taken to seek [redacted]
[redacted] replenishment for the Reserve for Contingencies.

STAT

We agree that the Reserve should be maintained at an appropriate level. Nonetheless, I believe it will be necessary to develop a solid rationale to justify any request for additional contingency funds to the Congress. OMB and your staff have agreed to review this request jointly in connection with the FY 1980 budget review and recommend appropriate action.

Sincerely,

Edward R. Jayne II
Associate Director for
National Security and
International Affairs
